

WELCOME NEW INSTRUCTOR

Thank you for your interest in becoming an Art Village instructor. We believe that you will have a great time as you inspire artists to learn and to grow. It is our hope that Art Village is able to offer the most enjoyable and informative class experience to our students. We believe that if the students feel successful, they will be inspired to make more art and gain the confidence to explore new ways of expressing themselves. As an instructor, you have the opportunity to help them achieve that success. We look forward to having you as a part of our tribe here at Art Village.

TO HELP US PROMOTE YOU

We put together promotional materials and submit our classes to a variety of sources both online and off. Because you are the expert in the class you are teaching, we request that you have a detailed class description available to use in advance to help us promote it. Also, an example of the project the class will be working on is an excellent idea and gladly appreciated.

Each class needs a minimum of five students in order for Art Village to run the class. Materials needed for the class should be submitted well in advance so students or Art Village can get the necessary items required.
